

**Bonus Information:**

- As a bonus to individuals who open and fund a new Kasasa Tunes account, our credit union will refund up to an aggregate total of \$20.00 (which includes any applicable taxes) for any iTunes, Amazon.com or Google Play purchases made with your Xplore FCU debit card that post and settle to the account within the first 60 calendar days after your account is opened. This refund will be credited to your account on the last day of the current statement cycle in which your aggregate iTunes, Amazon.com or Google Play purchase threshold of \$20.00 posts and settles to your account.
- Any portion of this bonus that is not used within the stated time period will be forfeited. No minimum balance is required to obtain this bonus. Limit one account per social security number and one account opening bonus per account. Account opening bonus will not be paid if accountholder switches into a Kasasa Tunes account from another account that offered an account opening incentive to open the initial account.

**Account Overview:**

Kasasa Tunes: A free variable reward checking account with no minimum balance that rewards members with reimbursements on iTunes, Amazon.com and Google Play purchases as well as nationwide ATM withdrawal fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.

**Purpose and Expected Use of Account**

This account is intended to be the account holder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle period would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Xplore FCU reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Account holders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to an Xplore Debit account or closed altogether. We also reserve the right to convert the account to an Xplore Debit account if the account has not qualified in over four (4) consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Xplore FCU check for the remaining balance, if applicable, will be mailed to account holder at the address indicated on our current records. Upon termination of your Kasasa Tunes account, any optional add-on products / services associated with this account will also be terminated at the same time.

#### Qualification Information:

To earn your rewards, the following enrollments must be in place and all transactions and activities must post and settle to your Kasasa Tunes account during each Monthly Qualification Cycle:

- At least 12 PIN-based / signature-based debit card purchases
- Be enrolled in and log into online banking. Minimum of (1) login per month.
- Be enrolled in and have agreed to receive e-statements rather than paper statements

Account transactions and activities may take one or more days to post and settle to the account and all must do so during the Monthly Qualification Cycle in order to qualify for the account's rewards.

The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our credit union as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our credit union. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

"Monthly Qualification Cycle" means a period beginning one (1) business day prior to the first business day of the current statement cycle through one (1) business day prior to the last business day of the current statement cycle. "Business Day" means any day on which an office of the credit union is open to the public for the purpose of carrying out substantially all of its banking functions.

"Statement Cycle" means the period of time for which our credit union provides a summary of the financial activities and transactions that post and settle to the account holder's account.

#### **Reward Information:**

When your Kasasa Tunes account qualifications are met during a Monthly Qualification Cycle, you will receive up to an aggregate total of \$10 (which includes any applicable taxes) in refunds for any iTunes, Amazon.com or Google Play purchases. In order to be refunded, iTunes, Amazon.com and Google Play purchases must be made with your Xplore FCU debit card and must post and settle to your account no more than 30 days after the Monthly Qualification Cycle in which you qualified, ends.

You will receive reimbursements up to an aggregate total of \$25.00 (\$9.99 per transaction maximum) for nationwide ATM withdrawal fees incurred within your Kasasa Tunes account during that Monthly Qualification Cycle. We reimburse ATM withdrawal fees based on estimates when the withdrawal information we receive does not identify the ATM withdrawal fee. If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction.

When your Kasasa Tunes account qualifications are not met, iTunes, Amazon.com and Google Play purchases and ATM withdrawal fees are not refunded.

iTunes, Amazon.com and Google Play purchase reimbursements and nationwide ATM withdrawal fee reimbursements will be credited to your Kasasa Tunes account on the last day of the current statement cycle.

Rates, rewards, and bonuses, if any, are variable and may change after account is opened without notice to you. No minimum balance is required to earn or receive the account's rewards. Rewards less than a penny cannot be distributed. You will automatically qualify for the account's rewards during your account's first statement cycle. If the account is closed before rewards are credited, you will forfeit the rewards.

**Reward Administration:**

iTunes, Amazon.com and Google Play purchases are refunded via a "grant" and "credit" process. On the last day of each Statement Cycle in which you qualify, we establish a refund "grant" of up to and including \$10.00 for your account. Each "grant" is valid for up to and including than 30 calendar days. All iTunes, Amazon.com and Google Play refunds are "credited" against your account's oldest active "grant". If the account is closed, you will forfeit any refunds grants that have not been credited to your account. Rates and rewards are variable and at our discretion may change after account is opened without notice to you. Fees may reduce earnings. No minimum balance is required to earn or to receive the account's rewards. Rewards less than a penny cannot be distributed.
